

## Fuego Fire Service Area

### Finance Summary

Fuego Fire Service Area will be financed through two income sources as described below:

1. County Grass Protection Contract—Areas within Fuego Fire Service Area will be contracted with Yellowstone County under the standard grass fire protection contract at the established rate by Yellowstone County (Flay Fee + acreage fee).
2. \$0.15 per acre up to a maximum of \$250.00 for a property owner. Board may adjust the assessment schedule annually.
