<p>COMMITTEE REPORTS</p>	<p><u>MONTANA EMERGENCY MANAGEMENT TRAININGS</u> from Marschal G. Rothe, Training Coordinator Montana Department of Military Affairs.</p> <p>Several new offerings of the AWR 148 Crisis Management for School-Based Incidents have been confirmed for delivery and are listed on the calendar. Unfortunately, due to national-level funding issues with the course provider, we are not able to schedule any more offerings until some of these questions are resolved. Several new requests have been received already-if and when funding is released these offerings will be scheduled in the order in which the requests were received.</p> <p>Most Federal courses and some of our local RDPC courses now require a Student Identification Number (SID). This is a transition from FEMA's traditional use of an SSN to a unique ID #. This SID # can be used for all Federal in-residence trainings at the Emergency Management Institute, Centers for Domestic Preparedness, New Mexico Tech, etc..campuses. A SID can be obtained at: https://cdp.dhs.gov/femasid/</p> <p>An exercise calendar is available at: http://montanadma.org/exercise-calendar . Please contact Marty Angeli, DES Exercise Coordinator at 406-324-4780 or mangeli@mt.gov<mailto:mangeli@mt.gov> if you have questions.</p>
