COMMITTEE REPORTS																	
	<u>EXERCISE DESIGN COMMITTEE:</u> [JEFF ASHWORTH, CHAIR]																
	<p><u>BILLINGS CLINIC: EVACUATION EXERCISE – OCTOBER 1.</u> The event is a simulated full hospital evacuation using mock patients. Approximately 12 mock patients were transported to an alternate care facility (Saint Vincent Healthcare) by AMR. The scenario is caused by a simulated loss of power to the Billings Clinic main campus, including the hospital. The hot wash was held October 2 at Billings Clinic.</p> <p>Communication was the #1 problem, lack of a designated decision maker in the EOC and cell phone chargers.</p> <p>Thank you to our community partners: RiverStone Health; Saint Vincent Healthcare; AMR; Billings Police Department; Billings Fire Department; Yellowstone County DES; MT DPHHS (HavBED system); MT Healthcare Association (Mutual System).</p>																
	<p><u>2013 ROCKY MOUNTAIN SHAKEOUT</u> Joe also mentioned the 2013 Rocky Mountain Shakeout, a drill targeting most of the states connected to the Rocky Mountains. Montana is making a concerted effort to get strong participation in this drill. The drill will happen on 10/23/13 at 10:23 AM. For details, see the following link: www.shakeout.org/rockymountain.</p>																
	<p><u>POINT OF DISPENSING EXERCISE:</u> Greg Neil reported that this exercise should take place sometime the week of April 7, 2014. The date is possibly negotiable. The plan is for CDC to deliver the "Eagle Pack" (a simulation tool for the SNS) which contains objects that are similar to those in the SNS push packs. It was suggested that consideration be given to not plan anything too close to the COYOTE 2014 exercise in May.</p>																

<p>COMMITTEE REPORTS (CONT.)</p>	<p>COYOTE 2014: The Coyote 2014 Exercise will be an off-site / co-exercise with the Billings Airport. The Billings Airport is required to do an exercise every two years to comply with FAA mandates. Planning of COYOTE 2014 Exercise is underway. Volunteers and volunteer victims are always needed. Contact Jeff Ashworth for more information or attend and exercise design team meeting. The 1st table top has been completed. The next scheduled tabletop drill will be sometime in May 2014. However, there may be other tabletop or functional drills between now and next May.</p>	
	<p>GRANTS COMMITTEE [DIANNE LEHM, CHAIR] Dianne reported that work on the BLM-Fuels Reduction / fuels mitigation grants are still in progress. The Fuels reduction grant has another year to complete.</p> <p>Reps. from the State of Montana visited Billings yesterday (9/11) and suggested that Yellowstone County should make more applications using the HMGP program. There is an opportunity for additional mitigation funding for Alkali Creek under pre-disaster mitigation and/or the HMGP program. Applications are due by late spring 2014.</p> <p>Billings Clinic and Saint Vincent Healthcare have applied for and should soon receive grant funding through the Hospital Preparedness Program (Health and Human Services)</p>	
	<p>CAER/CITIZENS CORPS [PAM SANDERSON, CHAIR] SOCIAL MEDIA USES DURING AN EMERGENCY: The use of a blog, face book page, twitter to keep the public informed during an emergency was discussed. Pam reported that Ready Yellowstone has a Facebook page but it is not an official County page. Jill Grimm volunteered to work on the Facebook page and Jill, Duane, Pam will be working to draft a plan/procedure for posting items to the page.</p>	
	<p>HEALTH & MEDICAL ADVISORY GROUP (HMAG) [DEB HEDRICK, CHAIR] Greg Neil spoke on behalf of Debbie Hedrick. He introduced Claire Oakley who has replaced Hillary Hanson. Greg reported that there have been four confirmed West Nile virus cases in the county. Late summer through early fall tend to see the highest prevalence of WNV.</p> <p>Work is continuing on the "exploration" of a rabies incident earlier this summer which required enactment of a rabies quarantine for the county. RiverStone Health is working with Animal Control to explore the exact meaning of a rabies quarantine (and how to enforce). A suggestion was made that, following the finalization of details, some public education might be appropriate about the meaning of a rabies quarantine. Greg will take that idea back to the group working on the matter.</p> <p>RiverStone is also strengthening its relationship with the local American Red Cross affiliate. It was reported that there will be a new full-time Red Cross employee stationed in Billings.</p> <p>The next HMAG meeting is September 27 at 10:00 at the RiverStone Health offices.</p>	
	<p>CONFERENCE SUB-COMMITTEE [GREG ROADIFER / AARON STULC, CO-CHAIRS] Joe reported on behalf of the Committee chairs. A copy of the draft conference schedule has been completed. Work continues on getting the final product done as soon as possible. Speakers are still being contacted and secured. More information for the 2014 Safety Conference available soon.</p> <p>To have your company added to the mailing list to receive a registration packet, contact us at http://www.mssc.org/contact-us/</p>	

	<p>CRISIS COMMUNICATIONS SUB-COMMITTEE: [BARBARA SCHNEEMAN, INTERIM CHAIR.] – No report. Need to identify a Yellowstone County PIO and a permanent Chair for this Committee to move forward.</p>																															
<p>COMMITTEE REPORTS</p>	<p>COMMUNICATIONS SUB-COMMITTEE: [RON GLASS, CHAIR] Nothing new to report. To his knowledge, the conversion to narrowband is complete and he isn't aware of any agency in Yellowstone County that has issues.</p>																															
	<p>TRAINING SUB-COMMITTEE [GREG NEILL] – Training opportunities are being emailed out as they become available. If you have and/or know of future training opportunities of interest to the LEPC members, please let Greg know.</p> <p>Joe reported on a project underway through the State Emergency Response Commission that will lead to credentialing of NIMS / ICS instructors.</p>																															
	<p>ICS-400 Advanced ICS on November 18th and 19th at the Billings Clinic. Contact Joe Marcotte if you have people that will be attending.</p>																															
	<p>UTAH AH IMT ACADEMY: Below is course information for the Feb 3-7, 2013 Utah AH IMT Academy. This will include offerings of 8 of the All-Hazard ICS Position Courses. This is FEMA reimbursable. Please see the flyer for details. I realize some of you have already sent in applications.</p> <p><i>* Montana applicants should send the FEMA 119-25-1 to Marshal Roth for State signature and he will forward to Utah.</i></p> <p>Marschal G. OLD BUSINESS	<p>STATUS OF BY LAWS SUB-COMMITTEE RE-WRITE – PAM SANDERSON & DUANE WINSLOW</p> <p>Joe report that the small work team has not met since the last LEPC meeting. There has not been any further feedback from the County Attorney. The team will be reviewing information summarized by Pam from the LEPC Handbook which may or may not alter some of the work in progress. The group will also review the material using a “gap analysis” perspective with the intention to bring back to the LEPC mention of any areas where potential gaps exist in our current practices.</p> <p>You can see the handbook by accessing this website: http://www.co.yellowstone.mt.gov/des/lepc/LEPCHandbook.pdf</p>
