Other (such as Class action suit or District Court action)

IF NONE OF THE ABOVE BOXES HAVE BEEN CHECKED, PAYMENT CANNOT BE PAID UNDER PROTEST

Payment of property taxes or fees under protest is the responsibility of the taxpayer.

- 1. Taxes must be paid before they become delinquent.
2. Payment must be accompanied by a written protest for that portion of the tax protested.
3. If your taxes become due before the above is resolved, they must be paid under protest with the county treasurer or it may not be possible to obtain a refund and accrued interest.
4. You must pay under written protest that portion of the property tax or fee protested.

Payment of taxes under protest simply sets the designated monies aside, in the protest fund, until the appeal already in progress has been resolved.
