# City of Billings and Yellowstone County Zoning Jurisdiction Fence Permit

Use the space provided below to show existing lot lines, structures, all drive approaches (including neighboring drive approaches), streets, alleys, proposed fence location, and height.

A large, empty grid area intended for the applicant to draw lot lines, structures, drive approaches, streets, alleys, and the proposed fence location and height.

This permit will allow a property owner to place a fence on their property. Except in Agricultural-Open Space (A-1), Controlled Industrial (CI) and Heavy Industrial (HI) zones or planned developments, NO fence may exceed 48 inches within the required front yard setback. Maximum fence height outside the front setback shall not exceed 6 feet in height. Applicable clear vision triangles shall remain free of any object over 30 inches in height. The property owner should act on this permit within one (1) year of approval.

**By signing this permit, I agree to follow all applicable regulations governing location and size of fences on my property.**
